KEERTHANA VENKATESAN

PROFILE

Front-End Web Developer with 1 year of IT experience, skilled in HTML, CSS, Bootstrap, JavaScript, TypeScript, React.js, Redux, and Saga. Experienced in transforming wireframes into user-friendly applications and implementing responsive design principles. Eager to contribute to innovative projects and collaborate with like-minded individuals. Seeking exciting opportunities to create amazing code together.

WORK EXPERIENCE

Front-End React Developer, Ebrain Technologies

June 2, 2023 - June 14, 2024

Event Management(Website):

- Streamlined the event management process by developing a comprehensive Event Management System, focusing on the vendor page functionality.
- Built responsive, mobile-first components using HTML, CSS, and Bootstrap, enhancing the customer check-in/check-out process across various devices.
- Utilized JavaScript and React.js to create a single-page application, managing global state with Redux and side effects with Saga middleware.

Ebrain Resale Portal (Website):

- Developed the Ebrain Resale Portal using HTML, CSS, Bootstrap, Redux, Saga, and APIs.
- Responsibilities included user authentication, intuitive product listings, search integration, and responsive design.
- Proposed enhancements such as social media integration, geolocation, AI recommendations, and expanded categories.

Technologies Used: HTML, CSS, Bootstrap, JavaScript, ReactJs, Redux, Saga.

Tools Used: Vs Code, Git, Swagger, Postman, Eclipse.
