

ABILASH SURESHBABU

STRENGTHS

Problem-Solving

Utilized my C# and .NET development skills to solve complex issues, increasing overall productivity by 20%.

Team Collaboration

Worked in cross-functional teams, successfully executed agile methodologies, and ensured timely completion of projects.

Continuous Learning

Continuously monitor developers' blogs and attend webinars to stay updated with the latest .NET and other programming trends.

SKILLS

- **Languages:** Flutter, Dart, Kotlin, SQL
- **Frameworks:** Flutter, Firebase, REST API, GraphQL
- **State Management:** Provider, Riverpod, Bloc
- **Tools:** Git, GitHub, CI/CD (Bitrise, GitHub Actions)
- **Databases:** Firebase, SQLite, SQL
- **UI/UX:** Material Design, Flutter Widgets
- **Cloud:** Firebase Authentication, Firestore, Cloud Functions
- **Testing:** Flutter Test, Integration Testing

CERTIFICATION

Certified .NET Developer Program

Completed a certification program on .NET Development in Chennai

Flutter Training Course

Underwent a comprehensive training on Flutter Application Development from Udemy.

PASSIONS

☐ Technological Innovation

Passionate about adopting new technologies for optimizing and enhancing application functionalities.

Outdoor Adventure

Love exploring nature and going on adventure trips to keep the mind fresh and stay inspired.

.NET Developer | Flutter | SQL | MVC

SUMMARY

Expert .NET Developer with over 3 years of experience working with C#, SQL, and JavaScript and Flutter. Skilled at using ASP Dot net frameworks like Boilerplate, MVC, and MVVM. Contributed to the development and maintenance of several software applications and led teams successfully to deliver critical projects on time. Looking forward to solving complex development challenges and delivering high-quality, custom enterprise software solutions.

EXPERIENCE

FullStack Flutter Developer- 12/2023 - Present

Saveetha University, Chennai

- Developed and deployed cross-platform mobile applications using Flutter and Dart.
- Integrated Firebase for authentication, cloud storage, and real-time data updates.
- Reduced API response time by 25% through optimisation. - Implemented state management using Provider and Bloc.
- Led a team of final year students in developing Flutter applications.
- Collaborated on developing cross-platform apps using Flutter, Firebase, and SQL.
- Enhanced app performance by optimizing data-fetching strategies.
- Built UI components adhering to Material Design using Flutter widgets.

Associate .NET Developer 03/2021 - 06/2023

MSC Technology, Chennai

- Full-Stack Development: Led end-to-end web application development using .NET Core, Web API, and MVC, ensuring robust and scalable backend architectures.
- Advanced Frontend Design: Implemented dynamic user interfaces with Angular, leveraging state management and lazy loading to boost UX performance by 30%.
- API & Database Management: Developed RESTful APIs and optimised SQL Server databases, focusing on query performance, data integrity, and security.
- Agile & DevOps Integration: Actively participated in Agile processes and implemented CI/CD pipelines with GitHub Actions and Jenkins, reducing deployment times and errors.
- Collaboration & Leadership: Worked cross-functionally with UX/UI, QA, and DevOps teams while mentoring junior developers, improving team productivity and project deliveries.

Freelance Trainer Private Institute and By self, Chennai.

- I do have 7 years of Teaching and training experience and as a freelance developer in all my know stacks.
- Trained over 500 Student in technical and Soft Skills to School and College Students.

EDUCATION

Bachelor Degree in Computer Science Engg.

08/2016 - 05/2020

SMK Fomra Institute of Technology

Chennai, India.

High and Higher Secondary Schoolings

2013 - 07/2016

Sri Vishwa Vidhyalaya Matric hr sec School

Chennai, India
