SUMMARY

Experienced Talent Sourcer with over 3 years of success in identifying top-notch candidates to drive organizational excellence. Proficient in leveraging platforms such as Naukri, LinkedIn Recruiter Lite, and Instahyre to strategically source, engage, and connect with high-potential individuals. Skilled in conducting thorough candidate assessments and nurturing talent pipelines for future growth. Collaborative by nature, I thrive on working closely with recruiters and teams to deliver targeted hires.

Throughout my journey, I've had the privilege of sourcing for both product and IT service companies, covering a spectrum of roles ranging from technical (Java, Python, etc.) to non-technical (Business Development, Solution Design, Client Success Management). My diverse experience has honed my ability to identify exceptional candidates across various domains, ensuring a well-rounded approach to talent acquisition
