## EDUCATION

### Knowledge Institute of Technology

*B.E. in Computer Science and Engineering (CGPA: 7.79/10)*

### Shri Vidhya Matric hr. Sec. School

*Higher Secondary Education (Biology-Maths)*

Salem, India

*Nov 2021 – Present*

Tiruchengode, India

*Jun 2019 – May 2021*

## TECHNICAL SKILLS

**Languages:** Java, C

**Frameworks:** Flutter, Firebase, REST API

**Developer Tools:** Git, GitHub, Figma, VS Code, IntelliJ IDEA

**Database:** SQL

## INTERNSHIPS

### Web Developer Intern

June 2023 – July 2023

*Lets Grow More*

*Online*

- Developed a basic ToDo list web application to enhance task management.
- Created a temperature converter using a Weather API for real-time temperature conversions.

### Android App Development Intern

July 2023 – September 2023

*Corizo*

*Online*

- Gained fundamental knowledge in app development and the Flutter framework.
- Learned about UI design principles and Dart programming for app development.

## PROJECTS

### Expense Tracker App | *Flutter, Firebase*

- Developed a mobile application to track personal expenses and budgets, addressing the need for **financial management**.
- Implemented features for **recording transactions**, **categorizing expenses**, and **generating reports** to assist users in budgeting.
- Integrated **Firebase** for **real-time data synchronization** and **cloud storage** to ensure user data is accessible across devices.

### Weather App Integration | *Flutter, Weather API*

- Integrated weather data from an external API into a Flutter application to solve the need for **real-time weather updates**.
- Displayed **real-time weather information**, such as **temperature**, **humidity**, and **wind speed**, improving user accessibility to weather data.
- Implemented **location-based weather forecasting** functionality, enhancing user engagement and experience.

### Smart Citizen Website | *HTML, CSS, JavaScript, PHP*

- Developed a website that allows citizens to **report issues** such as potholes, streetlight outages, or waste management problems in **real-time**.
- Focused on enhancing **community engagement** by providing a platform for citizens to voice their concerns effectively.

## CERTIFICATES

### Flutter Dart - The Complete Guide (Academind)

*Platform: Udemy*

*Duration: 30 hours*

In-depth course on building mobile applications using Flutter and Dart.

## HONORS AND AWARDS

Socio-Tech Hackathon 2024 Ranked in Top 100 at KPR College of Arts and Science, Coimbatore.
