CAREER OBJECTIVE

Passionate Flutter Developer actively seeking new opportunities to explore and expand my technical skills. Eager to contribute to innovative projects, enhance user experience, and grow within a dynamic organization.

PROFESSIONAL SUMMARY

Dedicated Flutter Developer with 1 year and 9 months of experience in designing and developing cross-platform mobile applications. Strong proficiency in Flutter and Dart, with expertise in RESTful API integration, UI/UX design, and performance optimization. Proven ability to deliver responsive, user-friendly applications for Android. Skilled in collaborating with cross-functional teams to align development goals with business objectives.

WORK EXPERIENCE

Refulgenceinc Pvt Ltd

Flutter Developer Sep 2024 - May 2025

- Developing and optimizing mobile applications using Flutter for various clients.
- Collaborating with backend teams to integrate APIs and deliver smooth user experiences.
- Worked on the Kumudam Event app, developing and enhancing features to manage and display event-related content using Flutter.

Vinsup Info Tech Pvt Ltd

Flutter Developer Oct 2023 - Aug 2024

- Built a Kitchen Order Ticket (KOT) and billing system for restaurants with features like table booking and inventory management.
- Developed a Panchayat Management System to support citizen services and grievance redressal using Flutter and backend integration.
- Contributed to the Gold Scheme Project by integrating APIs for enhanced functionality and user experience.
