WORK EXPERIENCE

Intern

8Queens Software Technologies Private Limited

12/2024 - 04/2025

Chennai

8Queens is a leading Enterprise Consulting and IT Services company specialising in Web, Cloud, Mobility, and Analytics solutions across industries like Healthcare, Retail, and Education.

Achievements/Tasks

- Designed and developed multiple screens using Flutter widgets and Dart, including donor dashboard, meal submission, and tracking modules.
- Integrated Provider for state management, ensuring smooth UI updates and reactive data flow.

PROJECTS

Meals of Hope – Flutter, Dart (12/2024 - 04/2025)

- Developed a mobile application to streamline food donations by connecting donors with NGOs. Integrated features include user profile management, meal submission forms, donation tracking, and a motivational quote carousel for enhanced user engagement.

College Website – Govt. Arts College, Chennai – PHP, MySQL, JavaScript (06/2023 - 01/2024)

- Built a responsive website with CMS functionality for content publishing and student information access. Developed secure admin panel, data validation modules, and interactive dashboards.

Home Needs Management System – PHP, MySQL (01/2023 - 04/2023)

- A user-friendly system to track household inventory, vendor details, and expenses. Focused on backend functionality, data CRUD operations, and role-based access.
