SUMMARY

I'm writing in regards to the ux/ui designer position for a fresher at this company. I'm confident that i have the skills and qualifications that make me the perfect candidate for this role .

I have a strong background in figma (ux research and ui design)and i confident that i can hit the ground running in this role. I am a quick learner and have a great eye for detail, which i believe would be a valuable asset in the role. Im also excited about the possibility of working at this company.

Im interested in the full time role. I'm open for relocating and i'm eager to put my skills to work in this role

Thank you for your time and consideration. I look forward to hearing from you.

Sincerely
Krishnaraj T
